

include/mul.h

src/main.c

src/mul.c

```
graph TD; A[src/main.c] --> C[include/mul.h]; B[src/mul.c] --> C
```

The diagram illustrates a dependency relationship between three files. At the top is a gray rectangular box containing the text "include/mul.h". Below it are two other gray rectangular boxes: one on the left labeled "src/main.c" and one on the right labeled "src/mul.c". Two blue arrows point from the bottom boxes up towards the top box, indicating that both "src/main.c" and "src/mul.c" depend on or include the "mul.h" header file.
